

DISCO *bulletin*

Great News!

Denmark is now on board and they are recruiting patients.

Holland is expanding and now have 5 recruiting sites. We see an increase of included patients and hope that since Covid is slowing down, the DISCO inclusions will continue to increase.

We are very grateful for your efforts in making the DISCO study successful.

Hopefully this pandemic is soon over and please, all of you try to stay healthy

We wish you a Nice Summer
